

# 2012-2015 SLATE OF OFFICERS

Term dates: July 1, 2012–June 30, 2015

## President

**Karen Patterson '73**

*Aiken, South Carolina*

Karen has given generously of her time to our Association as the Association Board of Directors secretary, chapter officer, alumnae admissions representative, career network member, and a Reunion giving leader.

Professionally, she is involved with American Nuclear Society, citizens for nuclear technology awareness, and the U.S. Women in Nuclear organization. She currently serves on the South Carolina governor's nuclear advisory council and the Aiken open space task force. She is the past chair of the Savannah River site Citizens Advisory Board, and past president of the Aiken Unitarian Universalist Church. She holds a BA in biology, earned her MA in biology at Wake Forest University, and also holds a master's of library and information science from University of South Carolina.

## Secretary

**Sherry Lynch Conrad '79**

*Bluffton, South Carolina*

Following her graduation with a BA in political science, Sherry completed an MS in rehabilitation counseling and a PhD in counseling and student personnel services at Kansas State University, then pursued a career in rehabilitation counseling working with college students in several states. Recently retired from Virginia Tech, she lives in South Carolina and uses her skills assisting in the local school system and as a computer room monitor. Sherry has volunteered for the Association for years as an alumnae admissions representative, a class agent, and as a member of her class Reunion committee. Sherry has been a perennial volunteer during Leadership Council and Reunion weekends at the Registration Desk. Tennis, mah-jongg, bowling, and counted cross-stitch are her hobbies.

## Member-at-Large

**Karl Sakas '10**

*Lynchburg, Virginia*

From his first semester on campus, Karl has been a committed and involved leader. He earned his degree in three years with a major in environmental studies and minors in economics and Chinese while serving as a resident assistant, tutoring, and co-founding the organic garden and the Randolph bike share program. His summers were full too—he performed a campus-wide energy audit for the Facilities Master Plan and an internship with Energizer in Shanghai. Karl is currently an admissions counselor for Randolph, recruiting from an 11-state territory and has continued as a member of Randolph's Sustainability Council and Organic Garden advisor.

## District Director-4

**Barbara Hagan Johnson '73**

*Roanoke, Virginia*

Directing human resources and corporate compliance at a retirement community in Virginia has been Barbara's profession for more than a decade. For the Association, she has been a committee member on the Association Board twice and an alumnae admissions representative. She lends her organization skills to her church as well, chairing several committees, and serving as senior warden. She completed a term on the board of Phoebe Needles Camp and Conference Center in 2011. Barbara is comfortable connecting people and activities and is excited to serve on the Association Board.

## District Director-7

**Caroline Noyes '86**

*Atlanta, Georgia*

Caroline's energy and experience as a class agent, class Reunion committee member, and a career network member will be useful in connecting alumnae and alumni in her district to each other and the College. She earned an MA and PhD in psychology from University of Georgia followed by 12 1/2 years as a faculty member at Oglethorpe University in Atlanta, teaching psychology and education. She is a member of the Association of Institutional Research, and the American Psychological Society. Her current position is assistant director, Office of Assessment, Georgia Institute of Technology.

## District Director-8

**Gigi Good Majors '95**

*Little Rock, Arkansas*

A political science major, Gigi has served the Association and her class at several levels through the years—as chapter president, admissions volunteer, class secretary, and class Reunion committee member. She is learning to balance her responsibilities as manager of network real estate for Verizon Wireless with the joys and demands of being a mother of an infant son. She brings a valuable perspective and diversity to the Board as a corporate professional and an alumna from the '90s. Gigi enjoys fishing and relaxing with her family.

## District Director-9

**Adgie Lou Dirom Davidson '82**

*Heath, Texas*

Love of music and performing set the tone for Adgie Lou's early pursuits. She supported herself with work in administration and hospitality while developing her vocal career. She sang in clubs, church and local choirs, including the Paul Hill Chorale in Washington D.C. and the York Symphony Choir in Pennsylvania. Since moving to a suburb of Dallas with her husband and two girls in 2005, she has focused on their interests: school, sports, musical performance, and travel. For the Association, Adgie Lou has been a chapter president, class secretary, class Reunion committee member, and an admissions volunteer.
