WHY I GIVE

A POWERFUL  
PERSONAL MESSAGE

Kristina Krsteva '05 comments, "I wasn't the first Macedonian to graduate from the College and I don't want to be the last. I had never been more impressed than when meeting the smart, driven, and all-around amazing women from all over the world during Orientation."

"So, I support the College because of my broadened horizons through the people I met and the friends I made. I also support the College because I was challenged in the classroom and because I was taught to have my voice heard and take a stance."

Kristina Krsteva '05

Kristina is currently working as a quantitative analyst for a heritage Bear Stearns investment team at JPMorgan Asset Management in New York while pursuing a Ph.D. in Mathematics at Stevens Institute of Technology.

VIRGINIA CONFERENCE

UNITED METHODIST  
CHURCH

*Each year Methodist churches throughout Virginia raise funds to support the College and five other educational institutions. In 2007–08 the Virginia Conference supported the College's general operations with a \$226,474 donation. Of that amount, \$50,000 provided student scholarships for Virginia United Methodist Church members, with the remainder going to the Annual Fund. The Church's ongoing commitment to higher education provides critical support for the College's students.*

*We deeply appreciate the generous support of the United Methodist Church. Its involvement and dedication are part of this College's history and its future.*

UNITED METHODIST  
HIGHER EDUCATION  
FOUNDATION

*The College received funds from the Foundation Scholars Program of the United Methodist Higher Education Foundation in the amount of \$4,000 for the 2007–08 academic year.*

*The United Methodist Higher Education Foundation's Grand Vision is that it be economically possible for any qualified United Methodist student to be educated at a United Methodist-related institution of higher education. Its purpose is to raise, manage, and distribute funds to foster education in a Christian context in schools, colleges, universities, and theological schools within The United Methodist Church and other institutions approved by the Board of Trustees. Since its founding, Foundation assets have grown to over \$40 million. Scholarship awards totaling more than \$15 million have been made.*
