## 2008 REUNION GIVING HIGHLIGHTS

Members of the Class of 1958 share their skit titled *Flowers and April Showers* which celebrated their 50th Reunion and presentation of their class gift in June 2008.

Ask anyone in the Class of 1958 about Reunion 2008 and you are likely to need a chair! We couldn't have been more pleased to see those gathered for Reunion experiencing with delight the nostalgia of being back on campus with friends, both old and new. As the College continues her transition, we welcome all opportunities to share our excitement about the future with alumnae. Reunion provides our greatest chance to demonstrate to our alumnae our dedication to continuing excellence.

The grand total of gifts from alumnae in Reunion classes for all types of commitments was \$1,035,283, which includes \$253,455 in gifts to the Annual Fund. Sixty-seven percent of the alumnae attending Reunion made a gift.

We hope that future Reunion classes, as well as the larger alumnae body, will continue the impressive, upward giving trend. As the Class of 1958 can tell you, returning to campus is an exciting and affirming experience. We encourage you to talk with your friends who have returned to campus for Reunion, and, of course, to come to your next Reunion.

We have had a record year. Our alumnae provide support to the College in amounts and numbers envied by other institutions. Your loyalty and commitment have helped us achieve what some might have thought to be impossible. We are galvanized in our resolve to achieve even greater success for the future of this College.
