

**PANEL OF PHYSICIANS FOR WORK RELATED INJURY/ILLNESS**  
**Randolph College**

*Print form, sign and date, and return to HR.*

Randolph College has offered me the following panel of physicians. Randolph College and Hartford have approved these physicians. If you suffer a work-related injury, Hartford will pay for reasonable and necessary surgical and medical services, medication, supplies, and orthopedic appliances and prostheses--including training in their use. In order to ensure that your medical treatment will be paid for by Hartford, you must select from one of the licensed physicians. My choice of these physicians is checked below:
