FALL 2011 ONLINE REGISTRATION

Registrar Web Address: www.randolphcollege.edu/registrar

ONLINE REGISTRATION DATES & TIMES

August 15, 9:30 am—September 2, 4:30 pm—Online Add/Drop/Registration for ALL classes new and returning. Community and faculty/staff non-degree students register in the Registrar's Office with the Special Student Registration Form.

ONLINE REGISTRATION PROCEDURES

Online Registration is now called "Register for Classes" and is located under Academics on RCconnect.

PRIOR TO REGISTRATION DAY:

1. Get advised and authorized for registration by your advisor.
2. From the portal, go to the Academics tab.
3. Use the **Cart** or **Section Search** to select courses and add them to your cart. Include alternate courses in case a first selection is full. If any courses are full, you have the option of getting on the waiting list.
4. Select the correct Period (semester) for which you wish to register. For example, Period: 2011/Fall, Session: 00.
5. Use Course Code to search for all courses in a department. For example, ENGL to see all the English courses.
6. Use the Advanced Search to search by department, instructor, etc.
7. Clear all registration holds from your account.
8. For cross-listed classes, only select one department for registering.

ON REGISTRATION DAY:

1. Select **Registration** and the period (semester). If you do not have access to Registration for the selected period, the reason will display.
2. If you populated your cart prior to registration, the contents of the cart

will be displayed. Otherwise, use the **Section Search** link to select courses and add them to your cart. If any courses are full, you have the option of getting on the waiting list. When finished, select **Proceed to Registration** or **Registration**.

3. Review courses and make sure the Add column is checked next to the courses for which you would like to register. Select **Next**.
4. Finalize registration and verify your final schedule. Make sure everything looks okay and select **Next**.
5. Registration is complete when you see a Congratulations message.
6. It is recommended that you **Verify your schedule**. Select **View Schedule** or **Classes** to make sure that you are registered!
7. Populate your **Online Degree Audit** found on the PowerCAMPUS Self-Service tab off of the portal to determine your general education requirements still needed to be completed. **SAVE** your audit!

ACADEMIC POLICIES

- Do not enroll in more than 18 hours during your initial registration. You will have an opportunity later to add additional courses.
- *Overloads (more than 18 hours) are not recommended unless the student has received a QPR of at least 3.0 in the previous semester and has a cumulative QPR of at least 2.75.*
- The College charges an overload fee for credits in excess of 18 for which the student is not already paying an additional fee.
- *For Pass/Fail, Audit, Honors, EX L, and Independent Studies, you must submit special forms to the Registrar's Office to register.*

SEE THE REGISTRAR'S WEB SITE FOR THE FOLLOWING:

- Errata (Changes to the current printed course offering list)

DATES TO NOTE: Classes Begin—Aug 29; Add Period Ends—Sept 2; Drop Period Ends—Sept 23; Last Day Declare Pass/Fail or Audit—Sept 23; Withdrawal Period Ends—Nov 8. Please note that P ED activities and graduate classes have different deadlines—see the Academic Calendar.

RESPONSIBILITY: **YOU**—not your advisor—are the person ultimately responsible for your schedule. Read the Academic Catalog carefully, ensuring that you are meeting both general education and major requirements.
