The major is designed to give students exposure to both anthropology and sociology. However, in some cases, with the approval of her advisor and the Chair of the Department, a student may elect to major in a single discipline instead of the combined disciplines. This option would be open primarily to students transferring six hours of sociology for a major in sociology or six hours of anthropology for a major in anthropology.

***Specify the course you are using to fulfill the requirement. Also use this space to list transfer courses or another R-MWC course you are being allowed to substitute. Note: The Request for Substitution of Major Requirement Form must be completed for substituted courses.**

I am aware of the specific requirements for this major and recognize that I must complete all requirements with a minimum QPR of 2.0 (rounded). I understand that I am responsible for completing successfully all courses, for determining that scheduling will allow me to fulfill requirements, including the senior program, and for obtaining approval for any courses taken at another institution.
