

## RANDOLPH COLLEGE

### Declaration of Major \_\_\_\_\_ or Application for Graduation \_\_\_\_\_ (check one) Form

A Major is declared in the sophomore year prior to the spring advising period. An Application for Graduation for each major is due in the junior year prior to the end of the spring semester. Once you declare your major, update this sheet each semester to keep track of your requirements and be ready to apply for graduation.

| Courses   | Course Title                         | Cr. Hrs.      | Course Selected | Semester of Enrollment | Grade |
|---|--------------------------------------|---------------|-----------------|------------------------|-------|
| BIOL 108  | Human Biology                        | 3             |                 |                        |       |
| BIOL 100L   | Biology Principles Laboratory        | 1             |                 |                        |       |
| BIOL 203  | Physiology                           | 3             |                 |                        |       |
| BIOL 203L   | Physiology Laboratory                | 1             |                 |                        |       |
| BIOL 204  | Intro Genetics/Molecular Biology     | 3             |                 |                        |       |
| BIOL 204L   | Intro Genetics/Molecular Biology Lab | 1             |                 |                        |       |
| BIOL 320  | Microbiology                         | 3             |                 |                        |       |
| BIOL 320L   | Microbiology Lab                     | 1             |                 |                        |       |
| CHEM 105  | General Chemistry                    | 3             |                 |                        |       |
| CHEM 105L   | General Chemistry Lab                | 1             |                 |                        |       |
| CHEM 106  | General Chemistry                    | 3             |                 |                        |       |
| CHEM 106L   | General Chemistry Lab                | 1             |                 |                        |       |
| CHEM 250  | Biochemical Nutrition                | 3             |                 |                        |       |
| MATH 227 <sup>1</sup>   | Elementary Applied Statistics        | 3             |                 |                        |       |
| PSYC 101  | Intro to Psychology                  | 3             |                 |                        |       |
| PSYC 102  | Intro to Psychology                  | 3             |                 |                        |       |
| PSYC 208  | Developmental Psychology             | 3             |                 |                        |       |
| Sociology course at the 200 level   |                                      | 3             |                 |                        |       |
| One of the following:   |                                      | 3             |                 |                        |       |
| SOC 101 Human Societies   |                                      |               |                 |                        |       |
| SOC 114 Contemporary U.S. Society   |                                      |               |                 |                        |       |
| <i>Students must complete one of the following tracks:</i>                                    |                                      | <i>(9-12)</i> | *               |                        |       |
| <u>Biology track</u>  |                                      |               | *               |                        |       |
| BIOL 201 Zoology  |                                      | 3             | *               |                        |       |
| BIOL 201L Zoology Lab   |                                      | 1             |                 |                        |       |
| Two BIOL courses with labs at 200 or 300 level  |                                      | 7-8           | *               |                        |       |
| <u>Psychology track</u>   |                                      |               |                 |                        |       |
| PSYC 227 Research Methods in Psychology I   |                                      | 3             |                 |                        |       |
| PSYC 228 Research Methods in Psychology II  |                                      | 3             |                 |                        |       |
| PSYC course at the 300 level with lab   |                                      | 4             |                 |                        |       |
| <u>Sociology track</u>  |                                      |               |                 |                        |       |
| SOC 366 Social Theory   |                                      | 3             |                 |                        |       |
| Two SOC courses at 200 or 300 level   |                                      | 6             | *               |                        |       |
|   |                                      |               | *               |                        |       |
| <i>Senior Program:</i>  |                                      |               |                 |                        |       |
| Successful completion of the first year at Johns Hopkins University or Vanderbilt University. |                                      |               |                 |                        |       |
| <b>Total for BA in Human Services</b>   |                                      | <b>54-57</b>  |                 |                        |       |

<sup>1</sup> Students on the psychology track will substitute PSYC 227

**\*Specify the course you are using to fulfill the requirement. Also use this space to list transfer courses or another course you are being allowed to substitute. Note: The Request for Substitution of Major Requirement Form must be completed for substituted courses.**

**Health Services Major for (printed name)** \_\_\_\_\_

I am aware of the specific requirements for this major and recognize that I must complete all requirements with a minimum QPR of 2.0 (rounded). I understand that I am responsible for completing successfully all courses, for determining that scheduling will allow me to fulfill requirements, including the senior program, and for obtaining approval for any courses taken at another institution.

Signature of Student \_\_\_\_\_ Date \_\_\_\_\_

**For Declaration of Major:** Successful completion of this program satisfies major requirements.

Department Chair/Program Coordinator \_\_\_\_\_ Advisor will be \_\_\_\_\_

Track Advisor will be \_\_\_\_\_

**For Application for Graduation:** Successful completion of this program satisfies major requirements.

Advisor \_\_\_\_\_ Date \_\_\_\_\_
