

August 3, 2015

Jane Doe
1313 Mockingbird Lane
Springfield, Virginia 12345

Dear Jane,

The Admissions Committee has reviewed your application and is pleased to offer you admission to Randolph College. On behalf of President Bradley W. Bateman, the College's Board of Trustees, students, faculty, and staff, congratulations and welcome! We believe that you will bring a unique perspective to our classrooms and community.

The 250 members of the Class of 2019 will claim their place in the College's proud 124-year history in late August and we want you to be standing here with them.

Randolph is a great fit for you academically and socially, but we are committed to make it a good financial fit for you and your family as well. You've been awarded \$_____ in Randolph scholarships and grants for the 2015-2016 year, which will reduce your tuition to \$_____ before Federal aid is applied. During your four-year career, you are eligible to receive a total of \$_____ in renewable scholarships as you progress toward your degree. Federal financial aid will help to reduce the overall cost of attendance (room and board is estimated at \$12,000 for 2015-2016). File your FAFSA, and call our Financial Aid team at 434-947-8128 for great advice on how to pay for college.

A visit to Randolph is a critically-important part of your decision process. We are welcoming WildCats from the Class of 2019 on Friday, April 17 and Saturday, April 25. Visit www.whyrandolph.com/visit to register or to set up an individual visit, or call Joy McGrath at 434-485-8032.

Your admissions counselor, «counselorcombinedname», is available by phone (800-745-7692 or 434-947-8100) or by email, «counseloremail», to guide you through the enrollment process. I'm looking forward to hearing that you've decided to claim your place at Randolph College!

Sincerely,

Michael J. Quinn
Vice President for Enrollment Management
