

The Important Dates – Next Academic Year calendar is based on key annual dates/events that reoccur at the same time every academic year for advance planning purposes. It includes the next academic year of 2019-2020 and is updated periodically. To see an up-to-date calendar of confirmed Randolph events, please view the College calendar on the portal.

To view the current 2018-2019 calendar, you can find the Scheduling - Important Dates – Current Academic Year calendar on the portal.
