Students must complete the online waiver providing proof of health insurance or enroll in the College Plan and will be billed accordingly. The deadline to complete the online waiver is August 15 for Fall semester new and returning students and January 27 for Spring semester new and readmitted students.

Permission for Treatment

The College's Student Health Center has my permission to perform or authorize routine medical care and to make referrals to area specialists and medical services. Under certain circumstances, the student may be transported to an area hospital for diagnosis and treatment.

In the event of emergency medical care, every effort will be made to contact a parent or legal guardian.

This form must be signed by the student. If the student is a minor (under 18 years of age), this form must <u>also</u> be signed by the parent or legal guardian so that appropriate diagnosis and treatment may be promptly carried out. No major health services will be performed, except in an emergency, without a parent or legal guardian being contacted and fully informed if the student is a minor.
