

New Organization Advisor Acceptance Agreement

Student organizations are student-initiated and student-run. Advisors may assist with student development, budgeting, event planning, organization and other areas that support the mission of the student group. The success of the organization is the responsibility of the students, not the advisor. The role of the advisor is to be a mentor and resource to students, providing feedback and advice in order for students to develop leadership skills and to reflect on what they are learning through their activities.

Basic Expectations of the Advisor

- Meet on a regular basis with organization officers.
- Attend organization meetings and events when possible.
- Travel with (or find an appropriate substitute for) ALL student organization trips that are overnight and/or 60 miles from Randolph.
- Ensure compliance of student organization with all college policies and procedures and ensure safety measures are followed.

I, _____, hereby choose to serve as the faculty/staff advisor should _____ be approved by Randolph College as a student organization. I further acknowledge I understand the responsibilities of the advisor for the organization stated above and that I do not serve as current faculty/staff advisor to more than one other recognized student organization.
