

**Measure 6. Ability of completers to meet teacher licensing and any additional state requirements.**

Table 1. Pass Rates by Endorsement Program, on normed licensure assessments 2019-2020 for *10 or more* program completers for each assessment.

Each candidate is required to pass all Virginia Licensure assessments prior to the final student teaching quarter. During the 2019-2020 reporting year the Virginia Department of Education did not require entrance assessments, therefore the Praxis Core or SAT assessments are not reported. The Randolph College EPP provides guidance and review sessions for all candidates during the program, in pedagogy courses or when additional supports are needed to reach a passing score.
