Additional courses with significant content about Asia may be substituted for the above in consultation with the minor advisor.

** Students who test out of the Asian language requirement, or who fulfill the language requirement with an Asian language through a study abroad experience, must take two additional Asian-related courses.*

Students may not count more than two courses toward both their major and the Asian Studies minor.

I understand that I am responsible for successfully completing all courses listed by the end of my final year with a minimum GPA of 2.0 (rounded), for determining that scheduling will allow me to fulfill requirements, and for obtaining approval for any courses taken at another institution to count toward the major.
