

# Prospective Student Referral Form

For the online form, go to [www.randolphcollege.edu/referrals](http://www.randolphcollege.edu/referrals)

Randolph College seeks to strengthen its pool of prospective students through R-MWC alumnae, Randolph College alumni, faculty, staff, parents, and friends of the College. If you know a high school student—a neighbor, a family member, or a friend's child—who will enjoy learning from our top-ranked professors, has a passion for community involvement, and loves the idea of a liberal arts education in a tight-knit community, let us know! Your referral provides them a guaranteed scholarship of \$4,000 (\$1,000 per year for four years while enrolled at Randolph College)!

Student referrals\* are also one of the best gifts you can give the College. Please help us share Randolph College with bright, engaged students today!

\*Referred students should not be accepted to Randolph College when completing this form. If the student is already accepted, they are not eligible for this scholarship.

*Please provide as much information as you are able.*
