

2025-2026 Family Size Verification Dependent Student

The Financial Aid Office at Randolph College must compare information from your 2025-2026 FAFSA with the information you provide on this worksheet and with any other required documents. If there are differences, your Financial Aid Office could require additional documentation and your FAFSA information may need to be corrected. You will not receive federal financial aid until all verification requirements are met and the necessary corrections made.

B. Parents' Family Size Information

List the people your parent(s) will support between July 1, 2025 and June 30, 2026. Family size includes the following:

- The student and the student's parents, even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if the following are true:
 - They live with the student's parents (or live apart because of college enrollment),
 - They receive more than half of their support from the student's parents, and
 - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true:
 - They live with the student's parents,
 - They receive more than half of their support from the student's parents, and
 - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size.

IMPORTANT: Parent(s)' college enrollment status is not considered for a dependent student.
