8. mm/dd/yyyy Present project at Symposium of Artists and Scholars or other public venue approved by the Center for Student Research.

Important: In addition to important events during your project, your timeline **must** include the following six items.

1. Project start date
2. The expected dates that you will spend any portion of your RISE funds
3. Reimbursement(s) requested
4. Project end date
5. Submission date of final report (two weeks after project end date)
6. Presentation date

Note: The “important events” on your timeline will vary depending on the nature of your project. It should include as many entries as necessary to clearly demonstrate the events of your project.

It is a condition of the RISE grant that you must present the results of your project at the Symposium of Artists and Scholars or other public venue approved by the Center for Student Research. By spending RISE grant monies you are agreeing to this condition.
